TIME	PROGRAMME
9:00am – 11:00am 	<b><u>MATHS: PROBLEM-SOLVING HEURISTICS</u></b> This engaging holiday workshop focuses on teaching heuristics skills and strategies to solve <b>higher-order, non-routine problem sums</b> . Your child will be equipped with simple yet <b>effective strategies</b> to develop his/her mathematical reasoning and thinking skills. He/she will leave this short course with <b>tips and tricks</b> that will make solving complicated word problems a cinch.
11:00am – 12:00pm	<b>LUNCH</b>
12:00pm – 2:00pm 	<b><u>ENGLISH: WRITING WITH DRAMA</u></b> Many pupils struggle with writing and produce uninteresting compositions with dry content and flat characters. This programme will expand your child's <b>imaginative capacity</b> through <b>drama activities</b> such as role play, skits and charades, enabling him or her to visualise and describe characters and scenes more vividly. Your child will also be taught <b>writing fundamentals</b> such as effective planning and description using sensory details.
2:00pm – 2:30pm	<b>BREAK</b>
2:30pm – 3:30pm 	<b><u>ENGLISH: EFFECTIVE ORAL COMMUNICATION SKILLS</u></b> In this programme, your child will first learn the basics of voice projection, eye contact, proper posture, facial expression and body language, then practise these <b>delivery skills</b> by giving an oral presentation. Lastly, he/she will be taught strategies to tackle <b>Stimulus-based Conversation</b> , increasing his/her confidence in taking the <b>new PSLE-format</b> Oral exam.
