

DATES: 23 – 25 Nov

TIME: 9:00am – 3:30pm

FEE: \$280.00 (Usual price \$400)

| TIME | PROGRAMME |
|--------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9:00am – 11:00am  | <p><u>ENGLISH: CREATIVE WRITING & THUMBPRINT ART PUBLISHING</u></p> <p>In this course, your child will learn how to write interesting story starters, developed story middles and satisfying story endings, as well as learn how to pen creative stories with vivid images and powerful descriptions that draw readers in. At the end of the programme, your child will compile his/her work and be a proud author of a writing journal which he/she will have fun decorating and illustrating with creative thumbprint art.</p> |
| 11:00am – 12:00pm | LUNCH |
| 12:00pm – 2:00pm  | <p><u>MATHS: PROBLEM-SOLVING HEURISTICS</u></p> <p>This engaging holiday workshop focuses on teaching heuristics skills and strategies to solve higher-order, non-routine problem sums. Your child will be equipped with simple yet effective strategies to develop his/her mathematical reasoning and thinking skills. He/she will leave this short course with tips and tricks that will make solving complicated word problems a cinch.</p> |
| 2:00pm – 2:30pm | BREAK |
| 2:30pm – 3:30pm  | <p><u>ENGLISH: EFFECTIVE ORAL COMMUNICATION SKILLS</u></p> <p>In this programme, your child will first learn the basics of voice projection, eye contact, proper posture, facial expression and body language, then practise these delivery skills by giving an oral presentation. Lastly, he/she will be taught strategies to tackle Stimulus-based Conversation, increasing his/her confidence in taking the new PSLE-format Oral exam.</p> |
